

PROCESSING & PACKAGING -THE HIGH-TECH ITALIAN WAY will be exhibiting at the International Trade Fair for Processing & Packaging, "Upakovka" 2019 trade show, that will be held at the AO Expocentre Krasnaja Presnja exhibition centre in Moscow from 29 January to 1 February, 2019.

Russia is one of the world's five fastest growing packaging markets, and the largest packaging market of Europe. Thanks to 146 million consumers, a high level of education and a well-trained workforce with high income, the demand for innovative packaging is rising steadily.

Upakovka is the most important Russian trade fair of the packaging industry and represents the entire supply chain and covers all industry sectors.

PROCESSING & PACKAGING -THE HIGH-TECH ITALIAN WAY is a network of industry-leading companies in processing and packaging which enables the market the expertise, effectiveness and exhaustiveness of a one-stop-shop service.

The Italian companies joining the network stand out for their expertise and innovative projects; they are present on various markets to provide all the clients with comprehensive technological solutions and optimize their business.

A complementary network shaped by companies representing the Italian excellence in processing and packaging, able to compete in the global market with all international big players.

Processing & Packaging -The High-Tech Italian Way- gives clients the chance to benefit from top technological solutions by industry-leading companies and the possibility to refer to a unique partner for all manufacturing needs, with a comprehensive range of integrated solutions and unmatched made-in-Italy technology.

PROCESSING & PACKAGING -THE HIGH-TECH ITALIAN WAY will exhibit at "Upakovka" 2019 trade show January 29th - February 1st, at the AO Expocentre Krasnaja Presnja.
