

PROCESSING & PACKAGING -THE HIGH-TECH ITALIAN WAY will be exhibiting at the International Trade Fair for Processing & Packaging, "Auspack" 2019 trade show, that will be held at the Melbourne Convention and exhibition centre in Melbourne from March 26th to March 29th, 2019.

Set to be the most comprehensive and occupying the largest floor space in its history, the AUSPACK will bring together hundreds of companies and brands from across the world to showcase their latest machinery, products and services.

PROCESSING & PACKAGING -THE HIGH-TECH ITALIAN WAY is a network of industry-leading companies in processing and packaging which enables the market the expertise, effectiveness and exhaustiveness of a one-stop-shop service.

The Italian companies joining the network stand out for their expertise and innovative projects; they are present on various markets to provide all the clients with comprehensive technological solutions and optimize their business.

A complementary network shaped by companies representing the Italian excellence in processing and packaging, able to compete in the global market with all international big players.

Processing & Packaging -The High-Tech Italian Way- gives clients the chance to benefit from top technological solutions by industry-leading companies and the possibility to refer to a unique partner for all manufacturing needs, with a comprehensive range of integrated solutions and unmatched made-in-Italy technology.

PROCESSING & PACKAGING -THE HIGH-TECH ITALIAN WAY will exhibit at "Auspack" 2019 trade show March 26th – 29th, at the Melbourne Convention and exhibition centre.
